## Ex. 6 Personal Privacy (PP)

**Subject:**  
**Attachments:** 2002KOSNETT.pdf

Dear Jesse and Jennifer,  
You may recall that Joan Seeman, requested copies of reports , results or findings issued pursuant to the TAG grant that was given to CEASE Community Coalition by EPA.

Jennifer Chergo, replied that EPA did not have any of those things in their possession.

As a result of the FOI request that Joan Seeman made to EPA , we have just located a significant a report issued in 2002, pursuant to the TAG grant, produced by Michael Kosnett. MD, MPH, Technical Advisor to the CEASE Community Coalition.

Given the important questions and issues that this report raises that could impact the health and safety of residents of OU1 and given the fact that the EPA could not locate the report in time for me to incorporate it into my comments on the delisting of OU1, I request that you append this new information to those comments and that the EPA respond to these concerns in the Federal Register.
